

**Amede
Achingale**

Name of business: BOSAZ FOODS

Position in the Company: Founder

Country: Nigeria

About the business: Bosaz Foods processes locally grown produce and packages them for the health conscious and gluten intolerant persons of all ages in both local and international markets, using the brand name, B-Planto; we add value to the produce, thereby extending the shelf-life while supporting the rural farmers especially women.

Amede is a retired banker with over 28 years experience; holds a Bachelor of Science and MBA degrees from Boston College Massachusetts, USA and Manchester Business School, UK respectively. Amede provides strategic direction to Bosaz Foods, which she has successfully grown from zero to eight-digit annual turnover in 3 years.
