Name of business: Achiever Foods Ltd

Position in company: Co-Founder & Production Manager

Country: Ghana

About the business: Achiever Foods is on a mission to save lives through processing organically grown turkey berries into nutrient rich teas, juices and cereal mix powders that promotes blood health, strong immune system and healthy nutrition at the same time empowering women smallholder farmers to grow fruits, contributing to improve food security, reduction in malnutrition and maternal mortality.

Millicent is a Food Scientist by profession, Anti-anemia Advocate and Social Entrepreneur. From her near-death experience, in 2018, she co-founded Achiever Foods on a mission to help save lives through improved nutrition. She has empowered over 2000 women including pregnant women, women smallholder farmers through her charity and businesses.
